The International Union of Women Architects wishes you a Happy New Year 2010 full of health and prosperity and has the pleasure to invite you in Korea for its 16th International Congress.

An important vector of the associative life, the International Union of Women Architects continues (since its foundation in 1963) to promote the Women Architects contributing to their recognition as an essential element in the field of Buildings and Environment.

We would like to inform you about the organization of the 16th Congress of UIFA which will take place in Seoul (South Korea) under the High Patronage of the Ministry of Culture, Sports and Tourism of the Republic of Korea (South Korea).

This Congress gathering the Women Architects, town planners, landscape experts, engineers and any other profession related to these fields of activity addresses as well to our male colleagues and to the students who are preparing themselves for this profession.

Venue and date: The congress sessions and works' exhibition of ours Women's colleagues will take place at the National Museum of Korea in Seoul, from Monday, October 4th to Tuesday, October 12th, 2010.

A post-congress (optional participation) study tour through Korea will be organized, after the closure of the congress.

Theme of the Congress: "Green Environment"

A/ Preservation and valorization of the Environment into Architecture

B/ The way UIFA is acting for the preservation of the Environment

Languages: simultaneous translation will be provided in French, English and Korean

Our Union as well as the Korean subsidiary KIFA (Korean Institute of Female Architects) has the pleasure to welcome you for this international event which will allow you to discover a country having a rich specific heritage and a multitude of historical sites.

Solange d'Herbez de la Tour
President of UIFA
